Dear Parents and Students,

We are announcing our final major fundraising event of the year – Cowchip Bingo!

This is fun, easy way to get all your friends, family, neighbors and co-workers involved in supporting the Tiger Regiment. Attached is a pre-sell order form and rules/regulations sheet to help you get started. The presell form allows you to get a jump start on identifying people to purchase tickets. Official ticket packets will be issued to students on Friday, 3/21. We are asking each family to try and sell 24 tickets by the April 7th deadline date. Students will have all of spring break and the week after to sell ALL their tickets.

Each \$5.00 donation Deed ticket is entered into a special cow plop event. On April 13, 2008 at 2:00pm, 3 cows will be released onto the Ag field behind Valencia HS and they will determine the winner for the prizes noted above based on the first 3 plops on our 3000 parcel area. (All parcels will be randomly numbered prior to the start - See rules and regulation form for complete details on selecting the winner). Since winners don't need to be present, there's no limit to who can participate.

And as an added bonus each ticket also includes discount coupons from Rubio's and Paolini's for everyone to use.
