July 2022

Dear Local Business Owner:

The Valencia High School Tiger Regiment is an award winning, competing group that includes the Valencia High School Band, Jazz Bands, Color Guard, and Drumline located in Placentia, California.

The Tiger Regiment is comprised, on average, of about 120 - 140 students. Like most school districts, the Placentia-Yorba Linda Unified School District only partially funds these extracurricular activities. To support the program at such a high level of quality, \$125,000 of fundraising is required. This level of fundraising is difficult in any environment, but especially so at a public high school.

The Valencia Instrumental Parents (VIP) is a non-profit organization that exists to support and sustain a fiscally sound and viable, quality music program that meets the needs of our students, our parents, our school, and our community. The fundraising provides instruments, instrument repairs, travel costs, transportation, costumes and props, instructor and consultant fees, licensing and much more needed to run this successful program.

The value of this program is the impact it has on both individual students and the community by providing:

- A place to belong, thereby building an affinity to the school, and enhancing student interest in higher learning and greater achievement.
- Opportunity to learn discipline and understand the true meaning of teamwork.
- Contributions to school and community pride promoting positive representation for the local area.

Please join our extended team and contribute to the success of this program. We would appreciate any support you can provide our students by making your tax-deductible donation to Valencia Instrumental Parents. Please see below for sponsorship opportunities and donation methods.

Our tax identification number is **#33-0070896**. Help us keep the music alive in our students and allow them to promote the merits of this worthy program, not only for themselves but also the community.

Best Regards,

Brent Cannon
